## Crystal Reiki Course Level One

This is a experiential  
healing course

Saturday & Sunday  
9 am to 4:30 pm  
(see website for  
current schedule)

## What is Crystal Reiki?

Crystal Reiki Level One combines the Reiki and crystal healing energy. This enhances and strengthens both modalities.

Reiki is a form of spiritual healing energy which is guided by the infinite intelligence of the universe. Reiki always works for the highest good and always knows how to help the recipient.

Reiki communicates with the higher self of the individuals participating in the session. A requirement when working with the energy of crystals is for the practitioner to have an understanding of how to be a clear and open instrument for spiritual healing energy to flow through. In this course you will receive Crystal Reiki Level One Symbols, Sacred Mantras and Attunement. This attunement assists practitioners in developing the ability to align with the specific healing properties of crystals and gemstones. The symbols, which are of Lemurian origin, were transmitted to Laurelle Shanti Gaia during a series of meditations, prayer sessions and crystalline journeys.

If you are a Reiki practitioner or Spiritual Healing Practitioner wouldn't you like to expand your knowledge of crystals? This class is for you.

Terri has trained with Laurelle in both Crystal Reiki Healing Level One and Crystal Reiki Intermediate. Terri uses both levels of Crystal Reiki in her practice as well as Karuna Reiki, Usui method.

*"Reiki serves as a bridge between medicine, science and spirituality."*

*Laurelle Shanti Gaia*

## The Value of Learning Crystal Reiki

Reiki and crystal energies are a natural match for enhancing physical, mental, emotional and spiritual healing. Crystals are energetic gifts from Mother Earth and connect us with her source energy. By combining Reiki and the crystal energy, the natural flow of the body's energy increases to promote healing. Crystals call back to memory the harmony and balance the body knows. When the body, mind, emotions, and spirit are in balance, healing can occur.
