Usui/Holy Fire Reiki III/Master Class

This is an experiential
healing course

Friday, Saturday, & Sunday
9 am to 5 pm
(see website for
current schedule)

What is Usui/Holy Fire Reiki?

Holy Fire Reiki is a spiritual energy that creates wholeness through purification, healing, empowerment, and guidance. Holy Fire Reiki has no lineage. Holy Fire Reiki is not intended to have any religious meaning. The word holy has its root meaning to be whole and complete. Therefore, the word holy in Holy Fire Reiki means just that, to be whole and complete.

This Usui/Holy Fire Reiki Master course offers your next step to enhance your Reiki skills and Reiki Mastery. As a Reiki 1 & 2 Practitioner or an already Usui Reiki Master this course will expand your training and skills in a new way as you are guided through this 3 day course.

From the International Center for Reiki Training

What is the Value in Learning Usui/Holy Fire Reiki III/Master?

Whether you are a health care professional or a healer the value of learning Holy Fire Reiki is to help others and yourself maintain the health of the body, mind, and spirit. This course, Holy Fire Reiki Master level training, prepares each student to teach Holy Fire Reiki at all levels of Reiki.

The qualities that students have experienced during Holy Fire Reiki classes include:

Spontaneously heals issues as they come up

Heals deeply and quickly without distress

Heals relationships and interactions with others

Releases worry and replaces it with a sense of safety in a most pronounced way.

Spontaneously provides guidance that is palatable for every level of life experience

Feeling of being loved

A deep and refined feeling that is very nurturing

These qualities are present in Holy Fire Reiki I & II and become more pronounced in the ART/ Master and Karuna classes.
